

Emmy Lou's Now Offers you the Inner Circle Wine Club!

Dear Customers,

It is with great pleasure that we introduce Napa's oldest premier wine club. This year the Inner Circle Wine Club will celebrate its 23rd anniversary along with its 200 plus membership. Unlike most wine clubs, the Inner Circle Wine Club has the distinct advantage of offering premium wines from both Napa and Sonoma regions. Our tasting panel chooses from micro – boutique wineries not open to the public.

Here's how it works: As an Inner Circle Wine Club member, you will receive monthly wine shipments to your home or office along with the tasting notes from the wine makers. All you do is choose whether you prefer two bottles of premium red or white wine (our most popular wine club is one bottle of red and a bottle of white). That's it! Your monthly shipment range is approximately \$45.00 plus shipping and handling. You can save on shipping by picking up the wine at our will-call here at Emmy Lou's Diner. If you have any questions, please do not hesitate to ask our wine specialist, David Christman, or myself.

One more thing, all active members will receive a 20% discount off all Emmy Lou's Diner food purchases. Thank you for your continued support.

Ruben
